

Ornaments

Cutting:

From the **Light Grey** fabric, cut:

- (4) 5 ½" x 8 ½" rectangles and (4) 5 ½" squares

From the **White** fabric, cut:

- (4) 3 ¾" squares

Assembly:

- On the wrong side of the white squares, draw a diagonal line from corner to corner. With right sides together, place a marked white square on one corner of a light grey square. Sew on the drawn line. Trim seam allowance to ¼" and press towards the white square. Repeat with the remaining marked white squares and light grey squares.
- Sew a light grey 5 ½" x 8 ½" rectangle to two opposite sides of the quilt center. Press seams towards rectangles.
- Paying attention to orientation, (white triangles facing out) sew a white/light grey square to each end of a light grey 5 ½" x 8 ½" rectangle. Press seams towards rectangle. Repeat to make a matching row.
- Paying attention to orientation, sew a row to the top and bottom of the quilt center. Press seams to one side.
- Download and print out the **Ornament** template pieces. Trace the templates onto the paper side of fusible web 12 times. Roughly cut out around the traced lines. Following the manufacturer's instructions, fuse the fusible web to the wrong side of the Ornament fabric. Cut out along the traced lines.
- Following the manufacturer's instructions, and using the finished quilt photo for reference, fuse the Ornaments to the squares and rectangles previously attached. Slightly overlap the ornament top over the ornament. Stitch the perimeter of each Ornament piece using your preferred applique stitch.
