

## Starlight Mountains Quilt Pattern

Small Star Block # 2

Unfinished Size - 8 1/2 x 8 1/2 inches

All seams are a scant 1/4 inch

### Cutting Instructions for 6 blocks:

**Color A (Navy) -**

24 squares: 2 7/8 x 2 7/8 in

24 squares: 2 1/2 x 2 1/2 in

**Color C (White) -**

6 squares: 4 1/2 x 4 1/2 in

**Color D (Light blue) -**

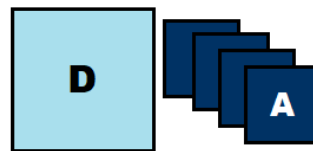

6 squares: 5 1/4 x 5 1/4 in

24 squares: 2 1/2 x 2 1/2 in

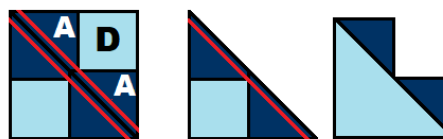

1. We will be using the 4 at 1 time, no waste method to make our Flying Geese.

You will need:

6 Color D - 5 1/4 x 5 1/4 inch squares and 24 Color A - 2 7/8 x 2 7/8 inch squares.

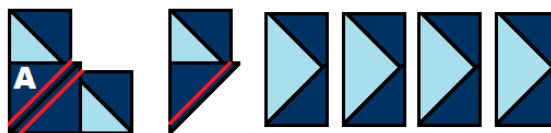

2. With right sides of fabric together, lay 2 small squares on opposite corners of the large square. Draw a diagonal line from the top corner to the bottom corner, on the back of the small squares. Pin in place. Sew a scant 1/4 inch seam on both sides of the drawn line. Cut on the center line. Press seam toward the small triangles.

**Black line is drawn line**  
**Red line is sewn line**

3. Lay 1 small square down in the corner, with right sides of fabric together. Draw a diagonal line from the top corner to the bottom corner, on the back of the small square. Sew a scant 1/4 inch seam on both sides of the drawn line.

Cut on the center line and press toward the small triangle. For best results, press with a dry iron.

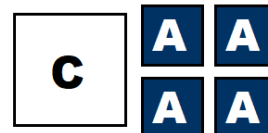

**Finished flying geese will measure: 2 1/2 x 4 1/2 inches.**

Trim if needed. Set aside. **You will have 24 flying geese.** Set aside.

4. Next, we will make the square in square units. You will need:

6 Color C - 4 1/2 x 4 1/2 inch squares and 24 Color A - 2 1/2 x 2 1/2 inch squares.

5. With right sides of fabric together, place 2 small squares on top of the large square on opposite corners. Draw a diagonal line on the back of both small squares.

Stitch one thread width to the outside of the diagonal line. You will want to line your needle up to the outside of your drawn line when sewing.

Cut 1/4 inch away from this sewn line. Press toward the attached triangle.

6. Then place 2 more small squares on opposite corners of the square, with right sides of the fabric together. Draw a diagonal line on the back of both small squares. Stitch one thread width to the outside of the diagonal line. Line your needle up to the outside of your drawn line when sewing.

Cut 1/4 inch away from this sewn line. Press toward the attached triangle. **This unit will measure: 4 1/2 x 4 1/2 inches.**

Trim if needed, by measuring 2 1/4 inches from the center of the unit.

**You will need 6 of these units.**

*Small Star Block # 2 continued*

7. Lay out 4 D/A flying geese, 4 Color D - 2 1/2 x 2 1/2 inch squares and 1 Color C/A square in square unit. With right sides of fabric together, pin in place and sew the pieces to form three rows. Press the seams in alternating directions, as shown below.

Next, with right sides of fabric together, nest the seams so they interlock. Pin in place and sew together. Press the seams as shown below. **This block will measure: 8 1/2 x 8 1/2 inches.** Trim if needed.

**You will need 6 of these blocks.**
